## *Staying Connected No. 8, 2023*

Hello Everyone,

We have come to the mid-point of our school year. As always, I am proud to say I lead this wonderful school community. Your children are an absolute delight and quite simply, their smiles and warm greetings make me happy. Our staff are generous and giving people, who care for your children with diligence. I particularly enjoy greeting families each day at the front gate or on the rear crossing.

Each of these engagements build community and make coming to 'work' each day a joy. I am confident many of our children feel that way too. And that's what matters to me; I want to see all the children in our school, happy and safe.

As we move into the third term of our school year; let's keep working together to ensure we continue to be the best school for our kids and each other!

**Have a safe term break everyone** and we look forward to welcoming you back to school in Term 3 on Monday 10 July.

## Semester 1 School Reports

Reports will be available to download on the nForma Parent Portal on Friday afternoon. When they are ready, you will receive an email from nForma with all of the information needed to access your child's report.

The email will come from [no-reply@nforma.com.au](mailto:no-reply@nforma.com.au) and will be sent to the email address that you have provided to the school office. Please check your spam or junk mail folder before calling the school.

(Just a reminder, as previously notified, that the reports for the children in Year 4 Red, will not be available until early next term)

Parent-Teacher interviews are scheduled to occur in Week 3 of Term 3. You will receive information on how to book an appointment with your child's teacher at the beginning of Term 3.
